Investigation complete, your transfer to E Module was a result of your violation of institutional rules; Once again you have not attempted to resolve this issue at the lowest level possible via "Pink Slip" written to the area Lieutenant (Lieutenant Galligan). A review indicates that you were afforded the opportunity to shower on four occasions during the week of March 15th, 2015 through March 21st, 2015. You in fact showered on March 18th, 19th, and 20th. DOC policy states that you are allowed to shower a minimum of three times per week; Policy and procedure guidelines were met. Grievance Denied.
